

Noche De Ciencias "Science Night"

Come join us as we host our first ever Science Night!!

SHPE and other UAF student organizations will be conducting a night full of fun science experiments for our local youth. The purpose of this event is to promote and excite 7th-8th grade students and their families about the knowledge, awareness, interest, and motivation in science, technology, engineering and math (STEM) programs. This event will be full of interactive, hands-on activities with opportunities to engage with UAF student leaders. This event is an open to all middle school students, their families, and the public.

November 16, 2018 | 6:00- 8:00pm

@ Randy Smith Middle School
